

PRODUCT NAME

NEC C431

DESCRIPTION

45mm wide frame, Full HD resolution, and 43-inch, an anti-reflective AMVA3 panel screen with 400 nits brightness - these features make NEC MultiSync C431 an ideal choice for professionals who want to display their offer as digital signage.

The modern design means that C431 seamlessly merges with any environment.

MultiSync C431 allows you to present any content thanks to three HDMI, 1 DisplayPort, and 1 VGA inputs - the screen perfectly displays content in both horizontal and vertical positions. The integrated multimedia player enables the presentation of any video, reproduction of images or sounds, and easy management of the presented content.

It is worth adding that the C431 has the additional TileMatrix (10x10) function and 300x300mm VESA spacing.

You can check NEC C431 in the SQM Rental House!

SPECIFICATIONS
