

PRODUCT NAME

MICROSOFT SURFACE PRO 6

DESCRIPTION

SQM Rental House presents Microsoft Surface Pro 6 - a 2-in-1 tablet that is equipped with a 12.3-inch PixelSense touch display, 2736x1824 resolution, and a 3:2 aspect ratio. The tablet supports 10 multi-touch points.

Surface Pro 6 has very good hardware parameters - the heart of the tablet is the eight-generation 1.6 GHz Intel Core i5-8250U processor, which has a maximum frequency of 3.4GHz and 6MB Smart Cache. The integrated Intel UHD Graphics 620 unit is responsible for graphics, and the smoothness of the Windows 10 Home operating system is guaranteed by 8GB of soldered DDR3 RAM with 1866MHz clock speed and 128GB of super-fast SSD flash memory in the M.2 PCIe standard.

Built-in lithium-ion battery with a capacity of 5940mAh offers, according to the manufacturer's specifications, approx. 13 hours of regular operation.

Microsoft Surface Pro 6 is equipped with a 5-megapixel front camera that can record 1080p HD video. The 8MPx rear camera has autofocus and offers 1080p Full HD recording. The equipment has two built-in microphones and Dolby Audio Premium stereo speakers with a power of 1.6W.

The versatile tablet offers 1 USB 3.0 type A port, Mini DisplayPort port, and a 3.5mm headphone jack.

PRODUCT NAME

MICROSOFT SURFACE PRO 6

DESCRIPTION (CONTINUED)

The MicroSDXC card reader allows you to connect an external disk. Surface Pro 6 supports WiFi 802.11a/b/g/n/ac, Bluetooth 4.1 standards and is compatible with the Surface Dial. It is worth mentioning that the tablet does not support SIM cards.

The device works perfectly in three available modes - in laptop, studio and tablet mode. The shape of the equipment can be modified through the flexible stand and a dedicated port for the included Alcantara Signature Type keyboard. Long battery life, lightness and versatility make Surface Pro 6 a great choice for everyday, mobile work.
