

PRODUCT NAME

RIGGATEC UNIVERSAL BEAMER (FD/HD TRUSSES)

DESCRIPTION

The Riggatec RIG 608 153 380 (Universal Beamer) is a universal projector mount with attachment to truss elements with a diameter of 48 to 52 mm.

The mount is made of powder-coated aluminum in silver. It features easy installation and compatibility with most projectors. The mount can be rotated 360° on the Y-axis and rotated a few degrees on the X-axis (tilt). The maximum lifting capacity is 13.5 kilograms.
