

PRODUCT NAME

CHRISTIE DHD951-Q

DESCRIPTION

Christie DHD951-Q is a Q Series projector that uses 1DLP technology known for obtaining deep colors and image display without loss of quality. The projector works at Full HD (1920x1080) resolution and brightness of 8200 ANSI lumens.

DHD951-Q uses two, 370-watt P-VIP high-pressure mercury lamps, which are characterized by very high luminous efficacy, low losses in luminous flux and long durability of use.

Christie projector is equipped with many connectors, inter alia USB Type-A port, two HDMI inputs, one DVI, VGA input/output as well as composite and digital 3G-SDI inputs on BNC connectors.

Lamps have a lifetime of up to 4000 hours in eco mode and about 2000 hours in standard mode. The projector is also characterized by its energy efficiency and low maintenance costs. The projector recommended by SQM Rental House is also characterized by its energy efficiency and low maintenance costs.
