

PRODUCT NAME

SAMSUNG UE55RU7102K

DESCRIPTION

The 55-inch Samsung UE55RU7102 is another TV from a wide range of 4K devices offered by SQM Rental House. The VA panel that offers over a billion shades of colors, HDR function, Edge LED backlight, and a maximum brightness of 300 cd/m² (with a standard of ~150 nits) - UE55RU7102 guarantees perfect UHD image quality with adequate lighting of every detail. The whole is controlled by a quad-core, intelligent Samsung UHD processor.

UE55RU7102, in addition to the possibility of easy connection with Samsung mobile devices and smart speakers, also offers synchronization with Apple TV and other Apple devices (such as iPhone, iPad, or iMac) via AirPlay 2. The user-friendly operation is guaranteed by the Smart Hub, through which all TV functions and resources are available.

The device is equipped with Vesa mounts (200x200mm), thanks to which the equipment can be hung on the wall. The device can also be set on the stand with which the height and depth parameters increase to 792.8mm and 261.3mm (respectively). UE55RU7102 consumes about 50 watts of power in energy-saving mode, 110 watts during regular operation and a maximum of 140 watts during the most demanding operation.

SPECIFICATIONS
