PRODUCT DESCRIPTION

SQM Rental House offers a manual chain hoist from Eurolite (Steinigke). The equipment has a working chain with a length of 10 meters and offers a maximum load capacity of 1 ton.

The chain hoist with a wrought crane hook is equipped with an 8-class chain with 6x18mm dimensions (according to EN-818-7) - it is characterized by, inter alia, high breaking strength, and resistance to high temperatures.

Our rental offers you the Eurolite chain hoist in black color. It will be a perfect solution for the organization of multimedia events.
