

PRODUCT NAME

NEC ST-401

DESCRIPTION

ST-401 is a dedicated stand for NEC large format monitors, which is designed for stand-alone installation.

NEC stand ST-401 is dedicated for monitors with diagonal between 40" and 55" (mainly V, P, and C series). The stand connects to VESA mounting points and is adjustable in two positions (HIGH and LOW) for each display size.

Available from SQM Rental House, the ST-401 features robust construction and light weight. The compact size and aesthetics of the design make the screen mounted on the NEC ST-401 stand look perfect on your stand.
