Depth with stand (mm)	210
Width without stand (mm)	546.5
Height without stand (mm)	363
Depth without stand (mm)	45

Net weight (kg)

5.2

## PRODUCT DESCRIPTION

The ProLite XUB2595WSU-B1 is a 25" monitor from Iiyama that guarantees excellent image quality. Equipped with a matte IPS LED matrix, the desktop monitor perfectly reproduces colors and offers wide viewing angles (178°/178°).

The 25-inch XUB2595WSU-B1 operates at WUXGA resolution (1920x1200 pixels), and the height-adjustable foot (from 399 to 529 mm) as well as the pivot function (by 90°) guarantee high working comfort. This comfort is also enhanced by Flicker-free technology, which reduces the problem of flickering and limits blue light that is harmful to the eye.

An additional advantage is the ability to tilt 22° up and 5° down, as well as rotate the foot by 90° (45° left and 45° right). The monitor without a stand can be hung on a stand or wall thanks to the 100x100mm VESA mounting spacing. The monitor can be operated in both vertical and horizontal positions.

The Iiyama ProLite XUB2595WSU-B1 features VGA, HDMI and DisplayPort signal inputs, two USB-A ports, one USB-B port, and headphone output as well as audio input on 3.5mm jacks.
