| Set contains                 | 4 x Nanlite PavoTube 30C |

### PRODUCT DESCRIPTION

The Nanlite PavoTube 30C is a compact 32W LED lamp with a maximum brightness of about 2,700 lumens. The device offers continuously adjustable dimming from 0 - 100% and color temperature adjustment from 2700 to 6500 K. In addition, the PavoTube 30C allows adjustment of the full RGBW palette and comes with pre-programmed lighting effects (Flash, SOS, Storm, Police Car Rooster Effect and Candle Effect).

The powerful PavoTube 30C lamp is also easy to use - ergonomic knobs and buttons allow smooth transitions between selected colors or color temperatures.

The device can be powered either by an AC adapter or also by a built-in 2200 mAh lithium-ion battery.

The Nanlite PavoTube 30C 4-KIT available for rental at SQM Rental House includes 4 Nanlite PavoTube 30C lights, 2 AC power supplies, 4 mounting clips, 3 master-slave (mini-jack) cables and 2 splitters from the power supply.
