Width without stand (mm)	990
Height without stand (mm)	578
Depth without stand (mm)	70
Net weight (kg)	18
Set contains	USB-A - USB-B cable (Touch)

Set contains	Power cord
Set contains	HDMI - HDMI cable
Set contains	RS232C (9-pin D-Sub) - RS232C (2.5mm jack) cable
Set contains	Remote control

## PRODUCT DESCRIPTION

The Iiyama ProLite T4362AS-B1 is a 4K (3840x2160) multifunctional monitor with PCAP touch technology that is perfect for digital signage applications, interactive exhibition stands, or conferences and other events. The T4362AS-B1's functionalities allow the creation of interactive collaboration spaces - the monitor is equipped with the Android operating system, as well as the EShare application that allows streaming and editing content from any device directly on the monitor screen. Comfort and smoothness of work is facilitated by a 43-inch IPS LED matrix in 4K UHD quality at 60Hz refresh rate, 20 capacitive touch points, 500 nits of maximum brightness, as well as the ability to install any Android-compatible application.

The Iiyama T4362AS-B1 in a black color features three digital HDMI inputs with HDCP 2.2, an Ethernet port, IR and RS232C inputs and outputs, as well as two USB 2.0 Type A ports and a USB Type B port for touch connectivity (plug&play for Windows and Linux, for Mac you need to download an additional driver). The 2 built-in 10W speakers are responsible for the sound.

The Iiyama-branded touch monitor can be operated in horizontal and portrait modes. Wall or stand mounting is made possible by VESA-standard mounting holes with 200x200mm spacing. Rent a great 4K Iiyama ProLite T4362AS-B1 touch monitor at SQM Rental House!
