

SAMSUNG GALAXY TAB S7 FE WI-FI

TECHNICAL DETAILS

Category	Tablet
Diagonal (in)	12.4
Touch points	10
Resolution (px×px)	2560x1600
Color	Mystic Black
Year of production	2021
Version	Wi-Fi
Front camera	5Mpx; 1080p recording
Back camera	8Mpx; 1080p recording
Sensors	Accelerometer; Gyro sensor; Geomagnetic sensor; Hall sensor; Ambient light sensor
Battery	LiPo 10090mAh built-in battery (Fast Charge)
Processor	Qualcomm Snapdragon 778G SoC
Operating system	Android
Memory	6GB RAM LPDDR4X
Storage	128GB
Graphics	Qualcomm Adreno 642L
Connectors	1 x USB-C 3.2 Gen 1
Connectors	MicroSD card slot
Width (mm)	284.8
Height (mm)	185
Depth (mm)	6.3
Net weight (kg)	0.61
Set contains	Fast Charge adapter

Set contains USB-A - USB-C cable

Set contains S pen stylus

PRODUCT DESCRIPTION

Samsung Galaxy Tab S7 Fan Edition is a powerful tablet in Mystic Black color, which features a 12.4" IPS screen with WQXGA (2560x1600 pixels) resolution.

The heart of the Galaxy Tab S7 FE is an octa-core Qualcomm Snapdragon 778G SM7325 chipset composed of 1 x 2.4GHz Cortex A78, 3 x 2.2GHz Cortex A78 and 4 x 1.9GHz Cortex A55 CPU units. For the graphics unit, however, it relies on Qualcomm Adreno 642L. The tablet has 6GB of LPDDR4X RAM clocked at 2166MHz and a 128GB storage drive. The device's storage capacity can be further expanded via a microSD card with a maximum memory of 1TB. A powerful 10090mAh lithium-polymer battery allows up to 12 hours of WiFi usage (according to the manufacturer's specifications).

Photos and video can be taken with either a 5Mpx front camera or an 8Mpx rear camera, which also allows recording at 1920x1080 resolution at 30 fps. The Galaxy Tab S7 FE is compatible with WiFi 6 (802.11 a/b/g/n/ac/ax 2.4/5GHz) and Bluetooth 5.2. The device supports WiFi Direct and syncing with a computer via Smart Switch. The AKG-developed built-in stereo speakers with Dolby Atmos surround sound technology provide fantastic sound reproduction.

Available at SQM Rental House, the Samsung Galaxy Tab S7 FE tablet set includes a dedicated S pen stylus, a USB-A - USB-C cable and a 45W Fast Charge adapter.
