

PRODUCT NAME

DELTA BLACK MANUAL CHAIN HOIST (0.5T / 10X8M)

DESCRIPTION

SQM Multimedia Solutions recommends a manual chain hoist by Delta Black. The maximum load capacity is 500kg.

The Delta Black chain hoist is equipped with an automatic brake along with a double security system, a galvanized 10-meter chain in class 8 and an 8-meter maneuvering chain. The diameter of the load chain measures 6 millimeters, while the chain pitch equals 18 millimeters (according to EN 818-7).

The Delta Black manual chain hoist also features sprockets with rolling bearings (all enclosed in a housing) and forged steel hooks that facilitate the rotation of the attached load.

Rent professional staging technology equipment at SQM Rental House.
