Left / right bezel size (mm)	13 / 13
Screen aspect ratio	16:9
Max. brightness (cd/m ²)	N/A
Viewing angles (h/v; °)	178/178
Connectors	Common Interface slot
Connectors	1 x Ethernet (RJ45)
Connectors	3 x HDMI (Input)
Connectors	1 x Satellite
Connectors	1 x Antenna
Connectors	2 x USB-A
Connectors	1 x Optical digital audio output
Width without stand (mm)	967
Height without stand (mm)	564
Depth without stand (mm)	57.1
Net weight (kg)	8.6
Set contains	Remote control
Set contains	Power cord

Set contains

Edbak EWB100 wall mount

PRODUCT DESCRIPTION

The LG 43UP80003LR is a 43-inch LCD TV with a 60Hz VA matrix, which offers 3840x2160 (UHD 4K) resolution.

The TV features accurate color reproduction (even in SDR mode), good black and contrast performance, or multi-stage motion smoothing. Among other features, the device supports Upscaling, AI brightness optimization, as well as HDR10 and HLG formats.

The 43UP80003LR features 3 HDMI inputs (including eARC on HDMI 2 and HDMI CEC), optical digital audio output, USB Type A connectors, antenna inputs (RF and Satellite), as well as an Ethernet port. The equipment is compatible with WiFi 802.11ac and Bluetooth 5.0 standards.

The LG 43UP80003LR TV can be wall or stand-mounted thanks to VESA mounting spacing (200x200 mm), as well as independently on dedicated plastic feet. The TV's dimensions then increase in height (622mm instead of 564mm) and depth (216mm instead of 57.1mm).

The LG TV available at SQM Rental House will be great for your booth, conference or other events.
