

PRODUCT NAME

BROTHER DCP-L3510CDW

DESCRIPTION

The DCP-L3510CDW is a 3-in-1 LED multifunction device from Brother that offers high print speed (18 pages per minute in both black/white and color), 600x600 dpi copying and scanning.

The DCP-L3510CDW features quiet operation (less than 47dB), wireless connectivity features (Wi-Fi 802.11b/g/n or g/n for Wi-Fi Direct), or automatic double-sided printing (for A4), as well as scanning in just 2 seconds in color. The maximum paper size supported is A4, and the paper weight should range from 60 to 163 gsm.

Brother DCP-L3510CDW additionally supports AirPrint, Mopria, Google Cloud Print and iPrint&Scan. The device is equipped with an LCD display for operating the unit, and the total memory is 512MB.

The rental comes with starter toners (black, yellow, magenta and cyan). Rent the Brother DCP-L3510CDW multifunction device at SQM Rental House!
