PRODUCT DESCRIPTION

The ASUS VT168HR is a 15.6-inch touchscreen monitor with 10-point multi-touch and screen tilt adjustment from -5 to 30 degrees.

With an LED-backlit TN matrix, the VT168HR offers a resolution of 1366x768 pixels (WXGA) at 60 Hz refresh rate. The monitor's maximum brightness reaches 220 nits, and maximum viewing angles are 90 degrees horizontally and 65 degrees vertically. The ASUS VT168HR is equipped with HDMI digital signal input, VGA analog signal input and a micro USB port.

The monitor features Blue Light Filter technology to protect the user from blue light, as well as Flicker-free to reduce flicker. The VT168HR is optimized for Windows 10, making it perfect for conferencing solutions or even as a mini info kiosk. The device's average power consumption during typical operation is about 8W.

In addition, the monitor can be mounted on a stand or wall mount thanks to its VESA-standard mounting holes with a spacing of 75x75 mm.
