

PRODUCT NAME

BOUNCEPAD FLEX FLX-W4-PL2-MG (MEGA CASE IPAD PRO 1ST & 2ND 12.9")

DESCRIPTION

Bouncepad Flex is a flexible tablet stand with Mega Case, which is dedicated to the Apple iPad Pro 1st and 2nd generation 12.9" (2015-2017) tablet.

The arm used in the mount allows a full range of movement around any axis, so the user is able to adjust the positioning of the tablet to suit his requirements - both horizontally and vertically!

All cables in the Flex stand are routed inside the arm, which creates an aesthetically pleasing whole. A protective lock is placed on the back panel to prevent unauthorized access to the device. The design of the case allows access to the home button and the camera.

The Mega Case is also compatible with:

- Apple iPad Pro 3rd Gen 12.9 (2018)

- Apple iPad Pro 4th Gen 12.9 (2020)

- Microsoft Surface Pro 4/5/6/7/8 (2015 - 2022)
