Net weight (kg)	0.682

Set contains

Power supply

PRODUCT DESCRIPTION

The Apple iPad Pro 12.9-inch (2022, 6th generation) in Silver is a cutting-edge tablet with a host of advanced features and capabilities.

The iPad Pro A2436 12.9-inch features a sleek, premium design with a silver aluminum enclosure that exudes a sophisticated aesthetic. It has thin bezels that surround the Liquid Retina XDR display for an immersive viewing experience. The overall dimensions of the device are 214.9 x 280.6 x 6.4 mm (WxHxD).

The tablet features a large 12.9-inch Liquid Retina XDR display with a resolution of 2732x2048 px and a wide color gamut, delivering stunning visuals with exceptional brightness of max. 1000 nits and contrast of 1,000,000:1. It supports True Tone and ProMotion technologies that dynamically adjust color temperature and refresh rate for optimal viewing comfort and smoothness.

The A2436 is driven by a powerful and efficient Apple M2 chip with an 8-core CPU, a 10-core graphics processor and a 16-core Neural Engine to ensure smooth performance across a range of tasks. The tablet offers 128GB of storage and includes 8GB of RAM, enhancing its ability to handle multiple tasks simultaneously and ensuring efficient app performance. The iPad Pro A2436 features a SmartConnector and Thunderbolt/USB 4 port for charging, as well as DisplayPort, Thunderbolt 3, and USB 3.1 Gen 2 connectivity. The device is compatible with Wi-Fi 6E (802.11ax) and Bluetooth 5.3 protocols.

The tablet features a rear camera with Pro Camera system (Wide camera with 12MPx and Ultra Wide camera with 10Mpx), which supports features like Smart HDR 4 and Optical Image Stabilization for stunning images in various lighting conditions. The front-facing camera, also known as the TrueDepth camera, enables Face ID facial recognition for secure device unlocking and supports high-resolution video calling with a 12MPx Ultra Wide camera and 122-degree field of view.
