

PRODUCT NAME

APPLE IPAD 10.9" 2022 (SILVER, 10TH GEN, A2696)

DESCRIPTION

In a classic Silver color, the iPad 10.9" exudes elegance and modern style. The ultra-thin aluminum chassis ot only impresses with its appearance, but also provides lightness and durability, making the tablet perfect for any situation.

Immerse yourself in a fascinating world with the Liquid Retina display with a resolution of 2360 x 1640 pixels on the 10.9-inch screen. Every detail, every color, comes alive before your eyes, delivering a visual experience like you've never experienced before.

Powered by a powerful A14 Bionic processor, the iPad 10.9" 2022 performs like lightning. A set of six CPU cores work in harmony to deliver unparalleled performance, whether you're using advanced apps or playing the latest games.

With Apple Pencil (2nd generation) support, you can draw, write and create freely, transferring your ideas to the screen with incredible precision. In addition, compatibility with Magic Keyboard turns the tablet into a portable workstation for professionals.

The built-in Touch ID fingerprint reader ensures reliable and fast unlocking of the tablet, while protecting your data from unauthorized access.

PRODUCT NAME
