

STARTECH 4-PORT HDMI SPLITTER 4K 60HZ

TECHNICAL DETAILS

Category	Splitter
Max. resolution (px×px)	4096x2160
Max. resolution (px×px)	3840x2160
Max. frame rate	60Hz
Connectors	1 x HDMI (Input)
Connectors	1 x Micro USB
Connectors	4 x HDMI (Output)
Power supply	100-240V AC; 50-60Hz
Width (mm)	165
Height (mm)	65
Net weight (kg)	0.26

PRODUCT DESCRIPTION

Rent StarTech's 4-port 4K HDMI splitter from SQM Rental House, which allows you to connect an HDMI source to four HDMI displays simultaneously, without signal distortion or degradation.

Offering a transmission bandwidth of up to 18 Gbps, the StarTech HDMI splitter supports UHD resolutions of up to 4096x2160 (4K) at 60 Hz. To ensure smooth video and color transitions, the splitter offers 4:4:4 chrominance subsampling.

The splitter supports the HDCP 2.2 protocol and is backward compatible with 4K 30Hz and 1080p displays. This ensures interoperability with almost any HDMI source or target device, such as computers, monitors, TVs and projectors. The splitter is ideal for digital signage applications.

To ensure reliable performance, the splitter is packaged in a metal housing that provides passive cooling.
