## PRODUCT DESCRIPTION

Elevating the quality of visual communication becomes easier with the iiyama ProLite LH8664UHS-B1AG monitor with 86-inch diagonal and UHD 4K resolution.

This advanced 4K display offers a wide range of control and communication capabilities, making it an invaluable tool for businesses. With a high brightness of 500 cd/m<sup>2</sup>, the LH8664UHS-B1AG is able to effectively take marketing and communication activities to a new level. Equipped with the Android 11 operating system and iiSignage<sup>2</sup> content management software, Signal FailOver and EShare features make the device intuitive to use, making it easy to create, manage and share content.

The model is equipped with 3 digital HDMI signal inputs (3840x2160 pixels at 60 Hz), two USB-A 2.0 ports, as well as audio input and output on a 3.5mm jack. Two built-in 16W speakers are responsible for the sound. The device supports WiFi (2.4/5G).

The use of ELED VA technology reduces power consumption compared to traditional DLED IPS solutions, without sacrificing brightness. With its versatile orientation (both portrait and landscape), sleek design and 24-hour operational reliability, this display integrates perfectly into a variety of business environments. With VESA mounting holes with 800x600 mm spacing, the iiyama LH8664UHS-B1AG monitor can be mounted on a wall stand as well as any other rack.

Whatever the application, be it retail, corporate business environment, hospitality or education, the LH360HS-B1AG is sure to capture the attention of your audience. Rent one at SQM Rental House today!
