## PRODUCT DESCRIPTION

Discover a new level of interactive work and entertainment with the Iiyama T2752MSC-B1 touch monitor. Created for those who demand excellent image quality and outstanding touch precision, this monitor will be perfect for business, education and home applications.

The Iiyama T2752MSC-B1 monitor offers a 27-inch screen with a Full HD resolution of 1920 x 1080. The IPS matrix technology guarantees wide viewing angles and realistic color reproduction, while the anti-reflective coating reduces glare for improved comfort. The monitor is equipped with capacitive touch technology, which supports up to 10 points simultaneously. With its high precision and instant responsiveness, the monitor is ideal for multi-touch interactions. The durable surface with 7H hardness glass is resistant to scratches and mechanical damage.

The monitor allows you to adjust the tilt angle to customize the screen. It has a variety of connectors, such as HDMI, DisplayPort, VGA and USB for versatile connectivity. Built-in speakers deliver high-quality sound without the need for external audio devices.

The monitor features a sleek, thin bezel that gives it a stylish look that blends in perfectly with modern office and home spaces. A sturdy stand ensures that the monitor stands securely on a desk.

The monitor is ideal for business environments, especially in conference rooms, presentations and teamwork, where interaction and collaboration are key. In education, it facilitates interactive teaching, engaging students through touch-sensitive interfaces. At home, the monitor is ideal for entertainment, gaming and everyday use, guaranteeing superior comfort and image quality.

The Iiyama T2752MSC-B1 touch monitor combines advanced technology, high build quality and modern design. With its versatile capabilities, precise touch and excellent image quality, it becomes an indispensable tool in any modern space. Rent the Iiyama T2752MSC-B1 touch monitor at SQM Rental House and discover a new dimension of interactivity!
