PRODUCT DESCRIPTION

Meet the Iiyama G-MASTER G2770QSU-B1 monitor, designed for gamers who want superior image quality and excellent responsiveness. This 27-inch model in the G-MASTER series, also known as "Red Eagle," offers exceptional performance to fully immerse you in the world of gaming. With WQHD (2560x1440) resolution, the monitor delivers a detailed and sharp image, allowing you to see every detail. With an ultra-fast response time of just 0.5 ms, you can enjoy smooth gameplay, without ghosting, even during the most dynamic moments.

With a refresh rate of 165 Hz, movements are reflected on the screen instantly, eliminating image stuttering and interruptions. In addition, FreeSync Premium technology synchronizes the refresh rate of the monitor with the graphics card, ensuring smoothness without screen tearing. The monitor is also equipped with eye-protecting features such as blue light reduction and Flicker-Free technology, allowing long gaming sessions without eye fatigue.

The ergonomics of the device have been designed with user comfort in mind - the ability to adjust the height, tilt angle and pivot function allow the monitor to be perfectly tailored to individual preferences. A wide set of ports, including HDMI, DisplayPort and a USB hub, makes it easy to connect various devices, which increases the functionality of the equipment. The modern, aggressive design of the G2770QSU-B1 fits perfectly into a gaming workstation, while built-in speakers and gamer-dedicated options such as Black Tuner and various game modes further enhance the gaming experience.

The Iiyama G-MASTER G2770QSU-B1 is a monitor that will meet the expectations of any gamer, combining advanced technologies, high user comfort and excellent image quality. It's the perfect choice for those who want to gain an edge in any game and enjoy smooth and precise gameplay at the highest level.
