Width without stand (mm)	1922.7
Height without stand (mm)	1109.9
Depth without stand (mm)	101.6
Net weight (kg)	73

Set contains	Power cord
Set contains	Edbak PWB1 wall mount
Set contains	Remote control

PRODUCT DESCRIPTION

84-inch LG84WS70BS-B is an Ultra HD LED commercial display designed for digital signage. Its four times higher resolution than standard Full HD resolution guarantees delivery of content with vivid and crisp details on a screen, giving breathtaking experiences.

LG84WS70BS-B perfectly fits for movie studios, shopping malls, transportation agencies, and many more environments. Its large display automatically eliminates dark areas by built-in temperature control, which perfectly adjusts to the heat and light. Thanks to the fantastic, stable IPS panel, every color and detail is visible from any viewing angle, and image distortion is fully minimized with external pressure.

The TV set is equipped with two HDMI inputs, DisplayPort connector, and DVI-D input/output. It is possible to install 84WS70BS-B via VESA mounting holes (600x400mm) on a reinforced wall.

SQM Rental House encourages you to rent a versatile LG 84WS70BS-B TV.
