PRODUCT DESCRIPTION

Discover a new dimension of possibilities with iPhone 16 Pro Max – the most powerful and advanced smartphone in Apple's history. In the White Titanium version, it combines modern aesthetics with the highest durability, and 256 GB of memory provides a huge space for your data, photos and apps.

Equipped with the groundbreaking A18 Pro processor, iPhone 16 Pro Max guarantees incredible performance and smooth operation - regardless of whether you are playing, editing 4K videos or using multiple apps at the same time. A new camera system with advanced image processing technology allows you to capture every detail - both in daylight and after dark.

With support for 5G, new Wi-Fi 7, improved Face ID and iOS 18, iPhone 16 Pro Max is a tool created with the future in mind. It is the perfect choice for people who expect the highest quality, reliability and elegance in one device.
