PRODUCT NAME

HP 255 G10 / Ryzen 5 7530U / 15,6''-FHD / 16GB RAM / 512GB SSD

DESCRIPTION

HP 255 G10 – Everyday Reliability and Performance

Meet the HP 255 G10 – a laptop designed for everyday work, learning and entertainment. Equipped with the modern AMD Ryzen 5 7530U processor, this model provides smooth multitasking, fast application launches and the performance you need both in the office and at home.

The heart of the laptop is the six-core AMD Ryzen 5 7530U processor supported by 16 GB of DDR4 RAM, which ensures trouble-free operation of many programs at the same time. Browsing the Internet, working in the Office suite, videoconferencing or light graphic projects will not be a challenge.

Thanks to the 512 GB SSD drive, the operating system and applications start up very quickly, and you gain plenty of space for files, photos and documents.

HP 255 G10 – Your reliable partner for work and study. Check it out today at SQM Rental House!
