PRODUCT DESCRIPTION

Lenovo Tab M11 is a modern tablet that combines performance, functionality and elegant design. Equipped with a large screen, four speakers with Dolby Atmos technology and a precise stylus, it works great for work, study and entertainment. It is an excellent choice for people who expect more from their tablet.

The tablet is equipped with a 10.95-inch IPS screen with a resolution of 1920 x 1200 pixels and a refresh rate of 90 Hz. Thanks to the TÜV Low Blue Light certificate, it ensures comfortable work even during long use. Vivid colors, smooth animations and high contrast make every content look great.

The set includes a Lenovo Tab Pen stylus, which allows for precise writing, drawing and note-taking. It is an excellent tool for students, graphic designers and people who value the possibility of writing by hand.

Lenovo Tab M11 is equipped with a capacious 7040 mAh battery, which provides up to 12 hours of video playback. It supports fast charging via USB-C port, so you can always count on a quick power refill.
