PRODUCT NAME

LENOVO TAB 10.1" 4/64 GB

DESCRIPTION

The Lenovo Tab M10 is a versatile tablet that is perfect for home, travel, and remote learning or work. It has been designed with user convenience in mind – it offers decent performance, a large screen, good sound and long battery life, all in a slim and stylish casing.

The tablet weighs around 460 g, so you can easily take it with you anywhere – to school, college, work or travel. Its simple, modern form suits any style of use – from a family entertainment center to a personal tool for work and study.

Now you can rent Lenovo Tab M10 at SQM Rental House!

It's the perfect option if you need a tablet for a project, presentation or just want to test its capabilities in practice.
