

PRODUCT NAME

IIYAMA X2377HS-GB1

DESCRIPTION

The 23-inch Iiyama ProLite X2377HS-GB1 is a monitor that uses LED backlight and an IPS matrix, which is one of the best solutions for LCD monitors. X2377HS-GB1 offers Full HD 1920x1080 resolution, sensational response time and very wide viewing angles, which will provide comfort for the most demanding users.

The monitor also uses X-Res technology, which can obtain better quality and resolution from images with lower quality, and also provides a natural color palette with great sharpness. Advanced Contrast Ratio used in X2377HS-GB1 automatically adjusts the brightness of the image and its contrast by setting the contrast ratio depending on the lighting of the room.

The X2377HS-GB1 is equipped with 3.5mm audio input, HDMI port as well as DVI-D and VGA signal inputs.

Available at SQM Rental House monitor complies with the VESA standard (100x100mm), so it can be easily mounted in a convenient place on the wall.
