

PRODUCT NAME

TRANSPARENT OLED / 55" / FHD / 10 TOUCH POINTS

DESCRIPTION

Revolutionize the way you present content with our 55” Transparent OLED Touch Display. Featuring state-of-the-art OLED technology, this screen delivers vivid colors, deep blacks, and exceptional clarity – all on a transparent panel that blends seamlessly into any environment.

Equipped with a full touchscreen interface supporting up to 10 simultaneous touch points, it’s perfect for creating interactive, immersive installations in event spaces, conference rooms, museums, and more.

With 38% transparency, sleek 20 mm design, and flexible mounting options, this display doesn’t just show content – it becomes part of the space.
