

PRODUCT NAME

HOLOBOX 86" / INTERACTIVE

DESCRIPTION

The HOLOBOX 86" is a modern presentation solution designed to capture attention and make any exhibition stand stand out from the competition. With its holographic-style content presentation, the device allows you to showcase products, people, or marketing materials in a visually striking and memorable way.

Equipped with a large 86" display and 4K resolution, the HOLOBOX delivers high-quality visuals, excellent detail, and wide viewing angles. A brightness level of 400 cd/m² ensures that the displayed content remains clearly visible even in well-lit exhibition or event spaces.

The HOLOBOX is perfect for trade shows, conferences, product launches, and marketing events. It provides an innovative way to present your brand, attract visitors, and create a strong visual impact.
