Width (mm)	1101.2
Height (mm)	1920.2
Depth (mm)	52
Work environment	Temperature: 0°C - 40°C
Net weight (kg)	49.0
Connectors	3 x HDMI 2.0
Connectors	2 x USB 2.0
Connectors	1 x DP 1.2

PRODUCT DESCRIPTION

Samsung Spatial 85" is an innovative display designed to create attention-grabbing content with a virtual 3D effect. Thanks to 3D Plate technology, displayed objects gain depth and dimension, creating vivid, immersive visuals that feel closer to reality. The unit features an 85-inch portrait display with a resolution of 2160 × 3840 (4K) and a contrast ratio of 4000:1. This delivers detailed, vivid imagery that is ideal for showcasing products, animations and marketing content. Designed for continuous 24/7 operation, the display is also suitable for multi-day events and trade fair installations. Samsung Spatial 85" stands out with its slim design, measuring just 52 mm in depth and allowing for a clean, space-saving installation. The built-in Tizen operating system

makes the display easy to use and enables simple, intuitive content management. The display is ideal for trade shows, product launches and conferences. Its modern, spatial way of displaying content helps attract visitors, increase engagement and make your brand stand out from the competition. Rent it now from Rental House!
