Material	Magnesium
Connectors	3/8" threaded connector
Height (mm)	1020-1580
Net weight (kg)	2.3

PRODUCT DESCRIPTION

The Athletic MIC-5E is a professional microphone stand with an arm length of 640 millimeters, which offers an adjustable height in the range from 1020 to 1580 millimeters. The tripod is designed for microphone grips with a 3/8" threaded connector.

The steel structure is characterized by high reliability and stability, mainly due to the tripod magnesium base and the aluminum arm joint.

The black-color MIC-5E weighs 2.3 kilograms. We encourage you to check the availability of a microphone stand at the SQM Multimedia Support equipment rental!
