

PRODUCT NAME

MICROSOFT / SURFACE 11 PRO / Snapdragon x Elite / 16GB / 512GB / WIN11

DESCRIPTION

The Microsoft Surface Pro is a powerful and versatile tablet equipped with a 13-inch touch display that supports 10 points of touch. It delivers an incredibly sharp and fluid visual experience thanks to its high resolution of 2880x1920 pixels and a smooth 120Hz refresh rate.

To ensure seamless performance during demanding tasks and events, the device is packed with 16GB of RAM and a fast 512GB SSD for reliable storage. It also features advanced camera capabilities, including a 10Mpx front camera for high-quality video calls and a 3.6Mpx IR rear camera.

With its compact design, exceptional display, and strong hardware specifications, this premium tablet is suitable for any business event or conference.

Rent it from SQM Rental House!
