PRODUCT DESCRIPTION

The Iiyama ProLite T5529AS-B1AG is an advanced 55-inch all-in-one PCAP touchscreen display designed for modern workspaces, huddle rooms, and interactive educational environments. Featuring an anti-glare (AG) coating and support for 20 touch points, it delivers clear, vibrant visuals and responsive multi-touch performance for effortless collaboration.

Powered by Android OS, the display allows users to install apps directly onto the device for fully customized workflows without an external PC. The USB-C loop-through feature enables easy daisy-chaining of multiple displays while delivering power, video, and data through a single cable, drastically reducing setup time and cable clutter. A dedicated wall-mounting bracket is included for straightforward, secure installation.

Combining robust standalone functionality with seamless connectivity, the Iiyama ProLite T5529AS-B1AG is an exceptional tool to streamline meetings and teamwork. Rent a monitor at SQM Rental House!
