

PRODUCT NAME

AVERS QUICK FOLD

DESCRIPTION

Avers Quick Fold is a professional screen designed for rear projection. The size of the active surface is 2425x1815mm with a screen aspect ratio of 16:9.

Quick Fold New Coral is a transparent, soft surface that is easily tense and adapted especially to the rear projection. The design allows for easy and quick assembly or disassembly. The screen is characterized by exceptional durability, reliability, and high quality. It has a fire-resistance certificate with an M1 rating (fireproof).

The screen is a great choice for both conference rooms and mobile outdoor projections.
