Projection surface height (mm)	3035

PRODUCT DESCRIPTION

Avtek FOLD 400 Dual is a screen with projection surface dimensions of 4040x3035mm, which is adapted to large-format projections - both outside and inside.

Projections can be made on the front and back of the screen.

FOLD 400 consists of a stable aluminum frame. The user has the ability to adjust the height of the screen, the surface is mounted on press stud, and the design itself is easy and quick to fold.
