

## SAMSUNG GALAXY TAB 4 (BLACK)

### TECHNICAL DETAILS

Category	Tablet
Diagonal (in)	10.1
Resolution (px×px)	1280x800
Color	Black
Year of production	2014
Version	Wi-Fi
Storage (GB)	16
Front camera	1.3Mpx (1280x1024); Video recording at VGA resolution
Back camera	3.0Mpx (2048x1536); 4x digital zoom; Panorama; Beauty Face function; Face detection function
Video	1280x720 (HD)@30fps
SIM card	N/A
Sensors	Accelerometer; Light sensor
Battery	Li-Ion 6800mAh non-removable battery (lithium-ion)
Chipset	32-bit 1.2GHz Qualcomm Snapdragon 400 with quad-core ARM Cortex-A7
Connectors	1 x 3.5mm jack
Connectors	MicroSD card slot
Connectors	1 x Micro USB
Width (mm)	243.4
Height (mm)	176.4
Depth (mm)	7.9
Net weight (kg)	0.487
Set contains	Power supply

## PRODUCT DESCRIPTION

Samsung Galaxy Tab 4 Wi-Fi is a tablet that operates on a 10.1-inch touch screen with WXGA (1280x800) resolution and TFT panel. Tab 4 Wi-Fi version is not equipped with a SIM card slot.

The Black Tab 4 has 1.5GB of RAM and 16GB of internal storage, which can be expanded via microSD memory card. The lithium-ion battery with 6800mAh capacity allows for about 10 hours of continuous use of the tablet's functionality. The efficient, quad-core Qualcomm Snapdragon 400 processor with 1.2GHz and Qualcomm Adreno 305 GPU controller are responsible for the smoothness and reliability of the device's operation.

Proposed by the SQM Rental House Galaxy Tab 4 works great with smartphones thanks to the SideSync function that allows you to sync selected devices. The tablet can also be used as GPS navigation, and the Multi-User mode allows the individual configuration of the tablet by up to eight people.

The tablet is equipped with two cameras - the front with a resolution of 1.3Mpx, which allows you to record movies in VGA resolution, and the rear with a resolution of 3Mpx, which supports movie recording in HD resolution. Samsung Galaxy Tab 4 also has a MicroUSB input, headphone jack, and a MicroSD card slot. All this is contained in less than 0.5kg of weight and compact dimensions that will allow you to take and use the tablet in any place you choose.
