

PRODUCT NAME

EDBAK STD04

DESCRIPTION

SQM Rental House offers an STD04 stand with holder from the Polish manufacturer Edbak. The solid construction, which consists of a chromium-steel tube with a fixed height of 1048.5mm, is equipped with a mounting bracket for monitors or tablet housings with VESA socket spacing of 75x75 or 100x100 millimeters.

The manufacturer recommends installing devices with a minimum screen diagonal of 19" and a maximum of 32". The mounted device should not exceed 15kg. The advantage of the STD04 stand is the possibility to tilt the holder from 0 to 45 degrees.

Edbak products are characterized by very efficient and aesthetic cable organization - it is no different in the case of STD04. Cables can be routed inside the main tube. The Edbak STD04 monitor stand can also be directly mounted to the floor.
