

PRODUCT NAME

SAMSUNG DM48E

DESCRIPTION

SQM Rental House proposes you Samsung DM48E - a professional industrial monitor with a diagonal of 48 inches and Full HD resolution.

The Picture Quality Enhancer function that optimizes colors, contrast and color temperature for the environment, amazing brightness of 450 cd/m² and great, full of details quality image in 1920x1080 resolution is a guarantee of distinguishing the selected promotional offer for potential customers.

Thanks to the MagicInfo S3 mobile application, it is possible to easily and quickly distribute content via a Wi-Fi network, while the Samsung Smart Signage Platform and a built-in multimedia player allow access to a content-rich library.

The monitor is equipped with a number of functional connectors - inter alia SD card slot, two HDMI inputs, DisplayPort input, as well as USB and RJ45 ports. The spacing of mounting holes in the VESA standard is 400x400mm.

The DM48E display defines high performance and a number of intuitive functions that will meet every business need with a simultaneous reduction of operating costs. The monitor is ideally suited to work 24 hours and 7 days a week on the premises of any company, shopping mall or store.
