Connectors	1 x Antenna
Connectors	1 x Ethernet (RJ45)
Connectors	1 x 3.5mm jack (Component)
Connectors	2 x Audio (Input/output, 3.5mm jack)
Max. power consumption (W)	77

Width without stand (mm)	721.4
Height without stand (mm)	420.3
Depth without stand (mm)	49.9
Net weight (kg)	4.9
Set contains	Power cord
Set contains	Remote control

PRODUCT DESCRIPTION

Samsung DM32E is a professional industrial monitor from DME Series with a diagonal of 32 inches and Full HD resolution.

The Picture Quality Enhancer is a function that optimizes vivid colors, contrast, and color temperature for the environment. The amazing brightness of 450 cd/m² and great, full of details quality image in 1920x1080 resolution is a guarantee of distinguishing the selected promotional offer for potential customers.

Thanks to the MagicInfo S3 mobile application, it is possible to easily and quickly distribute content via a Wi-Fi network, while the Samsung Smart Signage Platform and a built-in multimedia player allow access to a content-rich library.

Available in SQM Rental House, DM32E is equipped with a wide range of connectors - from the HDMI input, through the SD card slot, to the USB and RJ45 port. The spacing of mounting holes in the VESA standard is 200x200mm.

The DM32E display defines high performance and a number of intuitive functions that will meet every business need with a simultaneous reduction of operating costs. The monitor is ideally suited to work 24 hours and 7 days a week on the premises of any company, shopping mall or store.
