DESCRIPTION

SQM Rental House presents the solid Vogel's PTS 1223 TabLock case, which is designed to secure Apple iPad Pro 12.9-inch tablets in public places. The housing version gives access to the Home button.

The steel housing is equipped with 100x100mm VESA mounting sockets, thanks to which it can be attached to a wall or a dedicated stand, e.g. Vogel's PTA 3001.

Thanks to the key-opening lock, the silver PTS 1223 case effectively protects against unauthorized access and theft of equipment. The housing is perfect for exhibitions in public places, e.g. showrooms.
