

PRODUCT NAME

MACLEAN MC-692

DESCRIPTION

Maclean MC-692 is a professional monitor holder, which was created mainly for Apple iMac screens with diagonal ranging from 21.5 to 27 inches and weighing up to 11kg.

The desk grip has the ability to adjust the tilt from -35 to 90°, 180° pan, as well as roll from -3 to 3°. Such possibilities guarantee full ergonomics and screen positioning according to your needs.

The stable handle is made of a combination of steel, aluminum, and plastic. Available in SQM Rental House, the Maclean MC-692 installation process is quick and simple - thanks to the solid mounting clamp, it is possible to install it on any flat surface without the need for additional tools.
