

SAMSUNG UE55KU6172

TECHNICAL DETAILS

Diagonal (in)	55
Panel	VA
Standard	UHD 4K
Resolution (px×px)	3840x2160
Screen aspect ratio	16:9
Curvature (R)	4200
Connectors	Common Interface slot
Connectors	2 x 3.5mm jack (Component/Composite/Audio)
Connectors	1 x Ethernet (RJ45)
Connectors	3 x HDMI (Input)
Connectors	1 x Satellite
Connectors	1 x Antenna
Connectors	2 x USB-A
Connectors	1 x Optical digital audio output
Max. power consumption (W)	205
Width without stand (mm)	1241.7
Height without stand (mm)	718.6
Depth without stand (mm)	111.9
Net weight (kg)	16.2
Set contains	Remote control
Set contains	Power cord
Set contains	Edbak PWB1 wall mount

PRODUCT DESCRIPTION

The 55-inch Samsung UE55KU6172 LED from the Samsung Curved series with a 4K resolution of 3840x2160 offers a very wide range of intense and full-color details thanks to PurColour and HDR technology.

The slight curvature of the UE55KU6172 ensures a wide field of view and identical distance to every area on the screen, which is not possible with TVs without curvature. The Auto Depth Enhancer function allows a sense of depth by automatically setting different contrast levels for specific areas of the image, and the Upscaling, UHD Dimming, and Ultra Clean View functions guarantee the presentation of every detail in every scenery - all in UHD quality.

Available for rent at SQM Rental House KU6172 has inter alia three HDMI 2.0 connectors, two USB 2.0 ports and a Common Interface+ 1.3 slot. VESA mounting holes spacing is equal to 400x400mm.

The simplicity and convenience of use are complemented by a dedicated Tizen system that effectively reduces the time of starting the device and speeds up its operation. Another convenience is the Smart Hub, through which you can easily access movies, games, and other applications.
