

## HP OFFICEJET PRO 6960

### TECHNICAL DETAILS

Print technology	Thermal inkjet
Printer type	Colour
Max. paper size	A4
Functions	Print; Copy; Scan; Fax
Print speed (pages/min)	30 (mono); 26 (colour)
Max. print resolution (dpi)	600x1200
Max. copy resolution (dpi)	600x600
Max. scan resolution (dpi)	1200x1200
Max. fax resolution (dpi)	203x98 (mono); 200x200 (colour)
Paper tray input	225
Paper tray output	60
Connectors	1 x USB-B
Connectors	1 x Ethernet (RJ45)
Connectors	1 x Fax (RJ11)
Width (mm)	463.7
Height (mm)	228.67
Depth (mm)	390
Net weight (kg)	8.05

### PRODUCT DESCRIPTION

The OfficeJet Pro 6960 is a multifunction device from Hewlett-Packard that offers color inkjet printing, 1200x1200dpi resolution scanning, monochrome/color copying and faxing of documents, making the HP 6960 a fully versatile and functional device.

The equipment offered by SQM Rental House prints up to 30 monochrome A4 pages for a minute and 26 ppm in color. The first page (monochrome) is printed as soon as 12 seconds after the start of the device (color one after 15s). Automatic two-sided printing is also possible, which significantly speeds up the work.

OfficeJet Pro 6960, in addition to standard copy services (up to 99 copies at once) and Scan to PC scanning (up to 8 pages per minute), also supports mobile printing via HP ePrint (Android/Amazon Fire), Apple AirPrint (iOS) and printing via Wireless Direct function. The 6960 also faxes in color at a speed of 1 page per 4 seconds and has a memory for up to 100 pages.

The device has a very capacious paper tray, which can hold up to 225 sheets of paper, and an equally capacious output tray, which can store 60 sheets at a time. The user has at their disposal a colorful, 2.65-inch touch screen and many connectors, i.a. USB-B 2.0, LAN connector or Modem connector (RJ11), which is needed to connect fax. The printer is compliant with WiFi 802.11b/g/n standards.

HP OfficeJet Pro 6960 is a fantastic solution for both home and office, which with its dimensions will not consume a lot of space, and will be able to handle 20,000 pages per month.
