

PRODUCT NAME

DAS VANTEC 18A

DESCRIPTION

SQM Multimedia Support offers an active Vantec 18A subwoofer system from DAS, which is equipped with a class D amplifier with a peak power of 2000 watts and an RMS power of 1000W. The device has a high-quality, 18-inch 18LX woofer, which features a distant membrane jump. The frequency range is 35 - 125Hz.

The Vantec 18A has a maximum sound pressure level of 134dB (measured from 1 meter). The column makes it possible to adjust the HPF filters not only for the sub-bass but also for the output signal. In addition, the Vantec 18A offers phase inversion and Deep and Loud presets.

The Vantec 18A sub-bass has a powerCON power socket and a power output that connects up to eight devices. The rear panel also offers two 6.3 millimeter XLR inputs and two outputs. The column also has M10 rigging points.
