

PRODUCT NAME

NEC NP-U321H

DESCRIPTION

NEC NP-U321H is a professional Ultra-Short-Throw projector that guarantees excellent quality thanks to Full HD (1920x1080) resolution and 10,000:1 contrast ratio. The projector has a very short projection distance and practically completely eliminates glare and shadows.

U321H supports 1080p materials or 3D Blu-ray movies (thanks to HDMI 3D technology) and displays images with size from 85 to 100 inches. It uses DLP projection technology and is equipped with one 260W AC lamp, which lifetime reaches 3000 hours (and 4000 hours in Eco mode). The brightness of the presented image is at the level of 3200 ANSI lumens (and about 2720 ANSI lumens during projection in Eco mode).

The projector has both analog and digital inputs - two HDMI inputs (including one with MHL support), composite input on the RCA connector, and RGB on the 15-pin D-Sub. USB ports are also available - one Type-A 2.0 and a service Mini USB Type-B. U321H has a power consumption of 264 watts in Eco mode and 312 watts in standard mode.

Recommended by SQM Rental House, NEC U321H is a projector with high functionality and compact dimensions. It will perfectly fulfill its role in smaller conference rooms.
