Set contains	Power supply

PRODUCT DESCRIPTION

SQM Multimedia Support offers the Apple iPad Pro with a Space Gray color, which is known for its great 10.5-inch Retina screen, Multi-Touch display, an image of full details in 2224x1668 resolution and a very efficient battery. The iPad has 64GB of capacity that will surely hold all the data you need.

Compared to its predecessors, Apple boasts definitely better Retina screen parameters. The touch sensitivity has been increased, the screen brightness reaches a dizzying 600 nits, and all of this is emphasized by an anti-reflective coating that definitely increases the comfort of use. The 10.5-inch iPad has a refresh rate of 120 Hz, and the A10X Fusion six-core processor guarantees the speed and smoothness of use.

In addition, the tablet is equipped with a Touch ID fingerprint reader, four speakers, and two microphones. The Space Gray Pro is also equipped with a 7Mpx front camera and a 12Mpx rear camera. Both provide great HDR photo quality with the smallest details and a full palette of vivid colors. Comfort of work is increased by Slide Over and Split View functions, which allow you to run several applications at the same time. The improved Dock keeps them ready all the time.

The tablet has a Lightning connector for charging, a 3.5mm jack for headphones and a Smart Connector that allows you to connect an additional full-size keyboard.

The compact dimensions of the Apple iPad Pro 10.5" make it possible to enjoy the functionality of the device at any time and in any place.
