

PRODUCT NAME

MSI GP73 LEOPARD 8E

DESCRIPTION

SQM Rental House presents you with 17.3" GP73 Leopard 8RE - an MSI gaming laptop with a sporty design and an amazing 3ms 120Hz display that supports Full HD resolution.

GeForce GTX 1060 graphics processing unit, 16GB DDR4 RAM of memory with 2400MHz frequency and a powerful six-core Intel Core i7-8750H processor (with a maximum frequency of 4.1GHz). These parameters, together with the possibility of system optimization by freeing memory and prioritizing games, or Killer Gaming LAN technology that protects network traffic and prevents high pings will make GP73 meet the requirements of even the most demanding games.

The laptop also offers innovative MSI SHIFT technology, which presents four modes of device performance, depending on the requirements - Turbo, Sport, Comfort, and Eco modes. Leopard 8RE also offers multi-tasking display content, all thanks to the Matrix Display technology, which supports two additional displays via HDMI and Mini-DisplayPort. 4K (3840x2160) resolution is supported.

Even during the most intense operation of components, the device is still quiet and sufficiently cooled. The MSI Cooler Boost 5 system provides the highest standard of heat dissipation that can be found on any of the laptop devices, all thanks to two fans.

PRODUCT NAME

MSI GP73 LEOPARD 8E

DESCRIPTION (CONTINUED)

Visual and sound impressions will be provided by the well-finished SteelSeries keyboard with colorful RGB backlight and Nahimic 3 sound technology, which provides spatial, 360-degree sound on modernized, huge 3W Dynaudio stereo speakers.

SPECIFICATIONS

Category	Laptop
