

PRODUCT NAME

EDBAK TR5

DESCRIPTION

TR5 is a trolley with a monitor holder from the Polish manufacturer Edbak, which was created for attaching a maximum of 80-kilogram screens in the diagonal range from 37 to 60 inches and mounts in the VESA standard with sizes from 75x75 to 600x400 millimeters. The design of the TR5 compact trolley, weighing 30 kilograms, is made of chromed steel.

Available in SQM Multimedia Support, the Edbak TR5 trolley allows you to adjust the height and angle to the user's requirements. The minimum height of the holder to the base of the trolley is 250mm, where the maximum reaches 1700mm. The movable head means that the mounted screen can be tilted up from -6° to 9° and rotated from -3° to 3°.

The TR5 is known for its aesthetics of cable organization - they are routed inside the main arm of the trolley through a special organizer.

SPECIFICATIONS

Category	Monitor trolley
Diagonal range (in)	32-60
Max. capacity (kg)	80
Height adjustment (mm)	250-1700
VESA (mm×mm)	400x400
VESA (mm×mm)	75x75
VESA (mm×mm)	100x100
VESA (mm×mm)	200x200
VESA (mm×mm)	400x200
VESA (mm×mm)	600x400
VESA (mm×mm)	200x100
VESA (mm×mm)	300x300
Tilt angle adjustment (°)	-6/9
Width (mm)	1144
Height (mm)	1810
Depth (mm)	703
Net weight (kg)	30
