

BENQ SU917

TECHNICAL DETAILS

Technology	1-chip DLP (0.65" DMD)
Resolution (px×px)	1920x1200
Contrast ratio	7000:1
Light source	1 x 340W
Brightness (ANSI lumens)	5000
Light source lifetime (hrs)	2300
Noise level (dB)	36
Connectors	2 x RCA (Audio input)
Connectors	1 x RCA (Composite input)
Connectors	1 x Ethernet (RJ45)
Connectors	2 x RGB (Input/output, 15-pin D-Sub)
Connectors	2 x Audio (Input/output, 3.5mm jack)
Connectors	1 x Mini USB-B
Connectors	1 x S-Video (4-pin, MiniDIN)
Connectors	1 x RS232 (9-pin D-Sub)
Connectors	1 x 3.5mm jack (Mic input)
Connectors	2 x USB-A
Connectors	1 x RGB (Output, 15-pin D-Sub)
Connectors	2 x HDMI (Input)
Max. power consumption (W)	400
Width (mm)	339.3
Height (mm)	147.3
Depth (mm)	265.5
Net weight (kg)	3.7

PRODUCT DESCRIPTION

BenQ SU917 is a projector with native WUXGA resolution (1920x1200), which guarantees a clear image with great quality. The black level is at a very high-level thanks to the 7000:1 contrast ratio, and the brightness of 5000 ANSI lumens that will ensure accurate and bright presentations. The projector uses DLP technology and one 340W lamp, which lifetime reaches 2300 hours (or 3500 hours in eco-mode).

The SU917 is a projector with a wide range of functionalities. Great flexibility is provided by the Lens Shift function, which allows the image to be shifted by up to 145% via a simple switch. The Keystone 2D function ensures keystone correction when the projector is not in the center of the display, and the corner correction function is responsible for correcting the dimensions of the image by individual adjustment of each corner.

The device is also known for many energy-saving functions, such as Eco Blank (which dims the lamp when not using the device), SmartEco (which determines what brightness level is needed for optimal presentation) and Standby Mode (which minimizes energy consumption to 0.5 watts).

SU917 is equipped with two HDMI inputs (including one MHL) and VGA, one S-Video as well as USB-A and Mini USB-B. The weight of the device does not exceed 4 kilograms. SQM Rental House invites you to check the availability of this product!
